FRENCH & SPANISH HOME LEARNING

Over the next two weeks, students will receive a home learning booklet for Spanish (yrs 7 and 8) or French (yr 9). This will replace the Spanish or French home learning currently completed in their purple books. It is designed to improve the recall of the key vocabulary and structures.

Each week they will concentrate on Vocabulary of the Week (VotW) and a Sentence of the Week (SotW) which are all in the Knowledge Organiser. Students will be shown how to complete this in their Spanish or French lessons and should complete a page each week referring to their Knowledge Organiser. Any questions, please do get in touch.
Muchas gracias, The MFL team.

Uniform: As the weather has now cooled, students are expected to wear blazers at all times unless they have asked and been given permission to remove. Whilst playing sport at social times in the active zone, blazers can be removed. Ties are to be worn every day please, with the top button fastened. The uniform policy states that students should wear plain black full-length tailored trousers. Please ensure that trousers are not excessively skinny or baggy and that they are worn full length and on the waist (not low slung). Leggings, denim, jean-style, canvas, flare or corduroy trousers are not acceptable. Skirts should be black, tailored, A line and knee length. If you have any concerns about being able to purchase the appropriate uniform then please contact us; we will be happy to support.

Parent/carer survey: Please remember to share your feedback, positive or constructive, via our survey [here](#) The survey will close at the end of the day on Monday (2nd October). Thanks in advance.
