## 1.0 Policy Statement

- 1.1 The Ted Wragg Multi Academy Trust's mission is to transform lives, strengthen communities and make the world a better place. Lettings and community engagement are important to the Trust and its schools. By letting our premises, we intend to:
  - maximise the use of schools for the benefit of communities (health, social inclusion and enjoyment)
  - ensure that the educational use of the building is prioritised without prohibiting other users
  - provide cost-effective access. Profit margins will be welcome when derived from private or commercial usage but is not the objective when facilitating educational activity. All charges must at least cover cost
  - enhance the work of our schools, by building relationships, and widening networks with a range of organisations placing schools at the heart of their communities
- 1.2 This policy aims to clarify the procedure for schools who manage their own lettings of buildings and grounds so that all agreements are entered into with both parties knowing what they can expect and how to address any issues that might arise.
- 1.3 The school is aware that it has resources that are of great value to the wider community and to local community groups and sports clubs, etc. While the school will aim to support these groups and clubs wherever possible, it will ensure that the letting of facilities will at no time compromise or interfere with the core activities of the school in providing a high-quality education to its pupils.

## 2.0 Legal Framework

- 2.1 This Policy will be published on the school website and will be included in the Trust's Policy Monitoring Schedule.

## 3.0 Responsibilities

- 3.1 The headteacher is accountable for:
  - reviewing and managing the school's lettings policy, and for promoting and exploring the expansion of the school's lettings options
  - reviewing prices annually with the oversight of the shared Finance Lead. Prices should reflect the type of letting, cost and local market factors
- 3.2 The school will nominate a lettings coordinator / administrator who is responsible for maintaining records of bookings (including the completion of booking agreements) and for identifying the sums due from each organisation in accordance with standard pricing.

## 4.0 Administration of bookings

- 4.1 When an approach is made about a letting, the school lettings process is followed.
- 4.2 Prior to sending the forms for completion, the lettings coordinator / administrator will consult the head or responsible member of leadership team regarding the appropriateness of the letting and once agreed, check that the building / grounds are not already in use.
- 4.3 The process will require completion of the hire agreement and terms and conditions of hire as a minimum (see Appendix 1)
- 4.4 The school booking system process will be followed
- 4.5 Where lettings involve children participating under the age of 18, safeguarding arrangements will be followed and enhanced DBS detail seen and recorded in the SCR by the letting's administrator (see Safeguarding section below and within the terms and conditions of hire)
- 4.6 The school has priority use of the property to cover day to day teaching and curriculum needs

- 4.7 The school will always seek to at least cover its costs unless it is a direct beneficiary of a fund-raising activity
- 4.8 The school will seek to treat hirers fairly
- 4.9 Hirers will be expected to respect school property and honour all school and legal regulations which may be in force at any time
- 4.10 The person signing the hire agreement and terms and conditions of hire is responsible for all aspects of the letting
- 4.11 The school will only allow hiring of the premises for purposes considered appropriate and suitable. The Shared Services Finance Lead will be consulted in cases of uncertainty

## 5.0 Definition of a Letting

- 5.1 A letting is defined as any use of the school buildings or grounds by either a community group or a commercial organisation, usually taking place in the evenings, at weekends or during school holidays. Activities which fall within the corporate life of the school, such as extra-curricular activities for pupils organised by school staff, are not considered lettings.

## 6.0 Category of Letting

- 6.1 There are three categories of user who should be prioritised in this order.
  - Educational (of direct benefit to the school)/statutory user<sup>1</sup>
  - Community/voluntary user (education and training, fund-raising, playschemes, not-for-profit)
  - Commercial/private user
- 6.2 The category will be decided by the Head Teacher in consultation with School lettings lead /Finance, where appropriate.

## 7.0 Priority for Lettings

- 7.1 The Trust considers that lettings of direct benefit to the school and lettings that benefit the local community should be prioritised over commercial and private lets.

## 8.0 Inappropriate Lettings

- 8.1 This school retains the right to reject applications for lettings from individuals or groups whose activities, values or beliefs are considered to be incompatible with the ethos of the school.

## 9.0 Documentation

- 9.1 All formal hiring of the school premises, including those for which no charge is made, shall be appropriately documented. All hirers must complete a booking agreement and are to receive a copy of the 'Terms and Conditions of Hire'. The booking agreement is a contract which the school may enforce by law.

---

<sup>1</sup> Usage laid down by statute must be accommodated – e.g. use of the school as a polling station. It is the decision of the headteacher whether to close the school for operational/security reasons. A Risk Assessment will be required. Candidates at parliamentary or local elections are also entitled to use facilities (at times that do not conflict with educational purposes, and between notice of the election and the day preceding the day of the election). Charges must cover cost only.

## 10.0 Terms and Conditions of Hire

- 10.1 The conditions under which the school premises can be used by the hirer are contained in the Terms and Conditions of Hire Agreement (See Appendix 1).

## 11.0 Scale of Charges

- 11.1 The School, in consultation with the Shared services Finance Lead, will annually set the hire charge for each category of letting and will review the categories of lettings. Certain lettings for local community or charity use may be subject to no fee or a nominal fee covering costs only.
- 11.2 On no account will general annual grant intended for the support of our pupils and the delivery of the curriculum be used to supplement lettings.

## 12.0 Value Added Tax

- 12.1 The school is constrained by law to apply value added tax to all transactions where this is appropriate. The advice of the Shared Services Finance Lead should be sought.

## 13.0 Complaints Procedures

- 13.1 The trust complaints policy will be followed for any complaints raised regarding lettings.

## 14.0 Health and Safety

- 14.1 The school is responsible for ensuring that the means of access or egress are safe for the use of the hirer and that the plant or equipment used by the hirer is safe. If the hirer discovers a hazard, they should act to ensure the site supervisor on duty aware of it. Hirers will be issued with an external lettings emergency procedure which will include a set of instructions in case of an emergency. It will also require hirers to acquaint themselves with the safety procedures in the school and to co-operate with them.
- 14.2 Hirers have a responsibility to ensure that all their activities are safe and are responsible for the behaviour of people during the let, including ensuring the safety of people from violence or any avoidable harm.
- 14.3 Hirers must have in place, and provide upon request, written risk assessments for activities being undertaken
- 14.4 Hirers must be responsible for maintenance of all equipment they bring onto the school site
- 14.5 Electrical items are not to be brought on site, unless agreed with the school and suitable PAT testing certificates and risk assessments have been provided by the hirer
- 14.6 Hirers should familiarise people using the premises with fire and health and safety arrangements.
- 14.7 Hirers are responsible for first aid requirements of their participants and are responsible for providing the necessary equipment and staff to attend to these incidents
- 14.8 Any accidents or near miss incidents should be reported to the school as soon as possible and an accident investigation will take place if appropriate

## 15.0 Insurance

- 15.1 Hirers will be asked to arrange suitable insurance for their activities to cover any damage to the premises, furniture or fittings and to indemnify the school against all actions relating to personal loss, damage or injury.
- 15.2 Copies of liability insurance will be required on booking and annually on the anniversary of expiry thereafter

## 16.0 Damage

- 16.1 The hirer will be liable for the full cost of repair or replacement of any fixtures or fittings that become unserviceable or unsuitable for use through damage caused by any person running or attending the hired function.

## 17.0 Cancellations

- 17.1 The full fee will be payable if the booking is cancelled by the hirer less than seven days before event.
- 17.2 The school reserves the right to cancel any booking, whether confirmed or not, without prior notice.

## 18.0 Equal Opportunities

- 18.1 The school premises or facilities should not be let to any group or organisation that does not subscribe to the school's policy on equal opportunities.

## 19.0 Safeguarding

- 19.1 All hirers involving groups with children under the age of 18 must provide:
- evidence of an Enhanced DBS,
  - details of the Designated Safeguarding Lead,
  - safeguarding arrangements and risk assessments pertaining to the activities with ratios and escalation process

  - whether the organisation has a child protection policy
  - the names of the leader and regularly attending adults
  - whether appropriate disclosure and barring checks have been completed.
- 19.3 The letting agreement will specify that the hirer undertakes to ensure suitable arrangements are in place regarding safeguarding children and child protection and that the school can request to see copies of processes and policies pertaining to safeguarding at any time
- 19.4 The school reserves the right to terminate any lettings agreement with immediate effect if the user does not have these in place.
